Mr. LaPierre Retires

For the past 22 years, the students of Turners Falls High School have had the privilege of having Mr. Donald LaPierre as their principal.

Mr. LaPierre grew up in Portland, Maine. He graduated from Cheverus High School and earned his B.A. from St. Francis Xavier University. He then went on to the University of Maine.

Being principal of T.F.H.S. was only part of Mr. LaPierre's administrative jobs. He has been assistant principal of two other schools. He has also taught English, Latin, history, and French.

There have been many changes at TFHS in the past 22 years, but the biggest change was in 1973 when the new high school was built. Being part of the planning and equipping of the new school was a highlight in his career.

Mr. LaPierre believes that dealing with kids one on one is the best way to do things, and he liked the association the best.

Mr. LaPierre leaves us with this: "My years at Turners have been happy, productive and challenging, really the high point in my administrative career. I will miss the association with students, faculty, parents, and the rest of the community the most."

We, at Turners Falls High School, wish him the best of luck in his retirement.

Donald J. LaPierre

Mr. LaPierre decides to check out what Patrick Chase, Mike Cordon, Tim Silva, and Aaron Webster are eating.

It looks as if Mr. LaPierre is ready for take off, - a familiar stance at assemblies.

At his desk, processing the myriad of paperwork.

Mr. LaPierre takes time for conversation with Laurie Boulden, Kera Cenzano, Cheryl Ilnicky, and Kerri Traceski at lunch.

CLASS HISTORY

You had to be there during our Freshman year as we stood at the end of the long lunch line and struggled through our first Booster Day. Although our Rice Krispies float placed fourth, we were very proud of our first effort. Adrian Kuzontkoski and Tracy Hanrahan represented our class as Knight and Lady in Waiting. We may never have even made it to June if it weren't for the time and efforts of Mrs. Carol Jenks and Mrs. Nancy Dobosz.

Our Sophomore year started with a bang! After our fourth place finish last year, we were determined to have a great float. The theme was Disney and the hard work and effort we put into our Donald Duck float was well worth it when we captured first place! We chose Shane Burek and Sarah Jenks to represent our class as Duke and Duchess. This year we also had the opportunity to spend our life savings and buy our class rings. We sold candy bars and had a car wash to raise money for our prom. As June finally rolled around we couldn't believe we were already half way through high school!

Our Junior year brought us one step closer to graduation as we celebrated finally getting a locker on the first floor! Our Booster Day float was anything but "very, very quiet" with our second place Elmer Fudd. Bill Hildreth and Jen Zayac were chosen to represent our class as Prince and Princess. "When I See You Smile" set the theme for our prom. The prom was held on May 19, at the Hotel Northampton, with 2 Plus 2 playing live. Our fundraisers for the event consisted of the sales of apple pies, cotton candy, and M&M's. We ended the great year with sadness and grief as we mourned the unfortunate loss of Kimberly Ann Lefebvre, to a tragic car accident. Thoughts of her will forever be cherished in all of our memories.

We started our Senior year out right with a Booster Day victory over Athol, 21-6. The King and Queen elected to preside over the Booster Day Events were Jon LaBelle and Kim Bastarache. Our "Nike" float ended our high school career with the same result as our freshman float, fourth place. Soon the college search began and "Senioritis" struck with the anticipation of our approaching class trip and graduation. Although we were reluctant to part, we were nonetheless anxious to graduate and move on to bigger challenges. Saying goodbye is never easy to do, but we will always cherish the wonderful memories and friendships we were so fortunate to grow up with here at T.F.H.S.

Remember When

Everyone used to collect and trade stickers during recess?
A whole group of kids got lost on Mt. Monadnock and no one could move until we found them?
We played kissing tag at Montague Center School?
Jen Bond and Lovey Stone used to get in huge fights at Sheffield and Julie Bastarache would tell the teacher?
Shane Burek was dodging cars on the class trip to New York City in 8th grade?
Beth Sullivan saved Lance Wondoloski from running off the road?
Mark Courtemanche hit a house on the way to school?
B.J. Guerin hit J.K. Moltenbrey's car with Lance Wondoloski's motorcycle?
Nikkie Sopollec slipped on Applesauce during lunch in 11th grade and fell?
We listened to Alice Cooper during square dancing in 8th grade gym?
Mandy Rindone hit the school with Dan Roberge's car?
Everyone threw jello out the home ec windows in middle school and then had to go clean it up in front of the high school classes?
Mrs. Wilder gave us her "filling the bucket" speech in morning meeting?
Carrie Albright was practicing her sliding for softball during lunch in Junior Hall?
8 blue's groups 2&3 used to compete in "whose group was the loudest and rudest" in Mr. Hoitt's class?
It was cool to put your comb in your back pocket?
At Erving Elementary School ML finally got rid of "beans in your ears" song?
In 6th grade Jon Holmes used to steal Mrs. Hall's coat and run out of her classroom with it?
At Erving Elementary School we had our archaeology dig and the 2 groups were Nato and Zorawamma Kawia?
Sean Sexton always used to spend his recesses in the library for fighting?
We finally got to choose chocolate milk during lunch?
In Mr. Kenney's class we were so concerned about our "compost piles" and nothing ever grew?
When Mr. Haendigus fell off of his chair in geometry in 10th grade and landed on the floor with the whole class watching?

SUPERLATIVES

SUPERLATIVES

You had to be there to know that superlatives have been a tradition at T.F.H.S. for many years. It is fun to look back and see who was known for what during senior year. Superlatives are voted on by the senior class. It is always a time of anticipation for students to find out who earned the winning votes.

FRIENDLIEST — Kim Bastarache and Shane Burek. They're always smiling and saying hi to everyone. It must be in their nature to be friendly.

MOST TALKATIVE — Heather Nietsche and Dan Miner. They've always got a story to tell — even if it's a little exaggerated.

MOST GULLIBLE — Sue Osowski and Chris Morin. Sue and Bink believe anything you say. So watch it!

QUIETEST — Nicole James and Ted Lapinski. Nicole and Ted are quiet by nature in school; but those who know them, know they always have something to say.

Page Design by Kim Bastarache.

CLASS FLIRTS — Linda Lehman and Duane Beauchesne. Linda and Duane are always ready to pucker up and give a hug.

DID MOST FOR THE CLASS — Kathi Holmes and Sander Casino. They've done a lot for the class with fundraisers and much more.

BEST LEGS — Kristy McCay and Jon LaBelle. Kristy and Jon turn the heads with these two pairs of legs in the hall.

BEST SMILE — Jen Bond and George Emery. Jen and George seem to brighten everyone's day with their pearly whites.

MOST MUSICAL — Ericka Smith and Bill Hildreth. Ericka and Bill go through lots of practice but have lots of fun with their instruments in the band and in concerts, too.

Page Design by Kim Bastarache.

BEST DRESSED — Becky Cress and Jason Burek. These two are noticed for their cool but casual attire.

MOST LIKELY TO SUCCEED — Melanie Atkins and J.K. Moltenbrey. Mel and J.K. have been our hardest working students through the years.

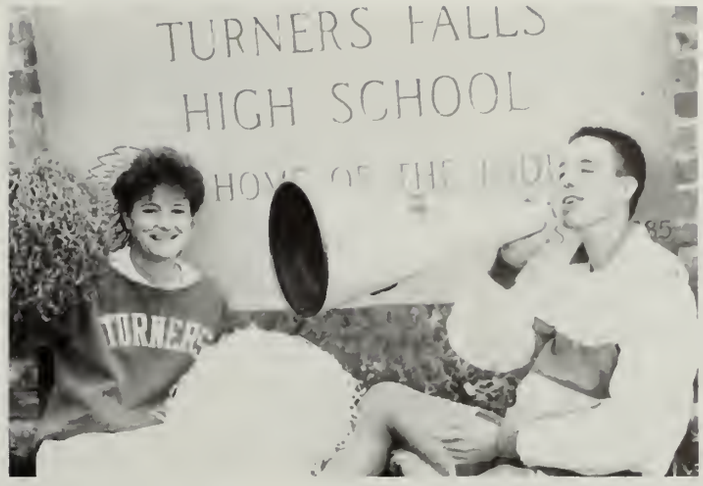
CLASS CLOWNS — Eviey Carey and Steve Kalinowski. Eviey with her spontaneous acts, and Steve wanting to be in the spotlight, make a good pair for class clowns.

MOST CHANGED — Jenn Zayac and Steve Chase. Jenn and Steve have changed so much. Can you imagine how?

BEST EYES — Tracy Hanrahan and Duane Beauchesne. Tracy and Duane express their feelings with their eyes and everyone notices.

Page Design by Kim Bastarache.

MOST ORIGINAL HAIRSTYLE — Becky Verner and Lance Wondoloski. Becky and Lance dare to show their originality with their state-of-the-art hair styles.



MOST SPIRITED — Chanda Waryas and B.J. Guerin. Chanda and B.J. are always ready to cheer for T.F.H.S. Whether it's a sports event or a fundraiser, they're around.

MOST ATHLETIC — Carrie Albright and Jason Dobosz. Carrie and Jason take pride in their sports — both in basketball, Carrie in softball, and Vin in football and baseball.

BEST CAR — Sarah Jenks and B.J. Guerin. These two attract the eyes with those hot wheels on the road — Sarah in her GMC and B.J. in his Toyota.

A little confused about how you're going to get up there Aaron?

Jenn's and Mel's faces show their disinterest in getting their picture taken.

Tiffany, Lisa, and Nicki are all good friends and can always be seen together.

Our Class Advisor

At the beginning of our freshman year we had to find someone who would direct and guide us through the activities of our High School years. After a careful search, we found someone who was more than qualified for this challenge. Mrs. Carol Jenks, for the past four years, has worked with us through many hours of float-making, bottle and can drives, and car washes. She devoted most of our junior year to helping us plan and organize our prom. During senior year she spent an incredible amount of time with us planning our class trip, class gift, and graduation. We the class of 1991 thank you, Mrs. Jenks, for all the time and effort you have given us. We will never forget you.

The Senior Class would like to acknowledge our class photographers, Poppi and Steve Kelly, owners of Studio in the Valley, for the valuable commitment they made to our class this year. They were responsible for our senior portraits, the clubs and activities photos, the sports groups and candids, and most of the informal candid photos in our yearbook. We found them to be friendly and easy to work with. Many times they willingly set their schedules to accommodate ours sometimes at a moment's notice. They got to be a familiar sight around school, especially at countless sporting events.

We would like to take this opportunity to thank them sincerely for their generous contribution to the quality of the 1991 Yearbook.

Mr. Kelley takes a break from taking pictures to dance with Mette Host. Mr. Massa and Sarah Rastallis watch in the background.

We think of you in silence,
and make no outward show.
But what it meant to lose you,
no one will ever know.
You wished no one farewell,
or even said goodbye.
You were gone before we knew it,
and only God knows why.
Your golden heart stopped beating,
with tender hands at rest.
All our hearts were broken,
to prove God takes the best.
To your resting place we wander,
the flowers we place with care.
No one knows the heartaches,
as we turn and leave you there.
To some you are forgotten,
to some just a part of the past.
But to those of us who loved you,
your memory will forever last.

In April of 1990, one of our classmates, Kim Lefebvre, died as a result of a drinking and driving accident. She was a passenger in a vehicle that went off a road and into a river.

Kim was a friendly, outgoing girl who always seemed to be smiling and laughing. Because of someone else's mistake, she had to miss out on a lot of things that may have happened in her life. It is hoped that a lesson can be learned because of this tragic incident and that people will realize just what drinking and driving can do.

Clubs/Activities

You had to be there to understand the importance of the clubs and activities at Turners Falls High School. This year Mr. Pucko made it possible for everyone to be able to participate in a club or activity of their choice by implementing the idea of an activity period. This activity period occurred once a week every Tuesday during first period. The clubs would meet together and work on projects or activities. We would like to give our special thanks to Mr. Pucko for organizing this project.

BOOSTER DAY '90

You had to be there when Booster Day '90 got off to a "sneaky" start with the Student Council's choice of "sneakers" as this year's theme. Seniors showed us how they *knew* floatmaking as they worked on their last high school float, "Nike." The Junior Class proved what "All-Stars" they were as they built their "Converse" Float. The Sophomores geared us up with their win in the Spirit Week competition and their float depicting L.A.-Gear, and the Freshmen produced a "noble" effort with their British Knights float.

Spirit Week was kicked off on Monday with "Come As You Are Day." Following that were Class Segregation Day, Formal Day, Clash Day, and the traditional Blue and White Day where everyone got their spirit going for the rally to be held Friday night.

Saturday's parade was led by Grand Marshall, Mr. Jim Duckworth, and two super first place floats by the Juniors and the Freshmen.

The game was a spectacular show of strength and speed and Turners remained undefeated with a 21-6 triumph over Athol.

These football players want YOU while Steve Kalinowski's sign speaks for itself.

Representing the classes as Booster Day royalty were: King & Queen, Jon LaBelle & Kim Bastarache; Prince & Princess, Eric Gemborys & Sue Burnham; Duke & Duchess, Kevin Neville & Jen Felton; Knight & Lady in Waiting, Scott Bastarache & Shelly Lefebvre.

Could Mr. Kelley be Jenn Messer's mystery date for the Prom?

B.J. Guerin raises school spirit as the MC at the rally.

The Juniors with "Converse" and the Freshmen with "British Knights" broke the tradition of Sophomore dominance in the float competition, followed by the Sophomore float, "L.A. Gear," and the Senior float, "Nike."

Junior - Senior Prom, 1990

You had to be there to know that prom day started out as a hectic sunny day of washing the cars, picking up the tux, doing the hair, and getting the flowers. It turned out to be the glorious night of May 19, 1990. The event occurred at the Hotel Northampton. The theme was "When I See You Smile" and the prom was put on by the Junior class of 1991. Cost of tickets were $25 each and music was provided by "Two Plus Two." The room was filled with mauve and green decorations.

We worked hard as a class raising money through car washes, can and bottle drives, selling candy, and paying class dues.

On arriving at the prom, each couple was announced by Mr. Kelley instead of going through a receiving line. At each place setting there was to be found a champagne glass with the theme of the prom, the year, and the design. Also there were booklets and scrolls which listed everyone who attended and at which table they were seated.

Leigh-Ann Parda and Mark Burnett were elected to reign as Queen and King of the 1990 prom.

Half the fun of the prom is in getting ready and in the anticipation according to Kim Bastarache and Heather Nietsche.

SOPHOMORES

You had to be there . . . at the Booster Day game to hear the announcement of the winning float, only to find out we made 3rd place. But we still won the Spirit Award. That's us-Super Spirited Sophomores.

We also started to think about ordering class rings, getting ready for our Junior Prom, and our class trips. We had an awful lot of fundraisers, from bottle and can drives to selling candy canes. We brought back the ever so famous Turners sweatshirts and added a new twist by selling Turners boxers.

It was a great year for all. We weren't at the bottom anymore. And ever so slowly, we're working our way to the top.

FRESHMEN

You had to be there when as a freshmen in the class of 1994, we felt a little shy at the high school. Last year we were the top class and now we are starting all over again. As usual, by the time Booster Day arrived, our attitudes changed. We found that we were really part of the whole school. We all would work together to make school activities successful.

For our freshmen float we designed a British Nights sneaker, which tied for first place with the juniors. For freshman we thought we did a remarkable job designing our own float.

We are planning more fundraisers including the Patriots football team coming to play basketball, a Valentines dance, and selling roses for Valentines Day.

We had to make several other adjustments such as learning to manage our time between homework and extra curricular activities. We also had to get used to having older students in our classes now that we were part of the elective course system. Freshmen year will continue to be a challenge for us but, look out! We are going to be the *best* class to go through TFHS ever!

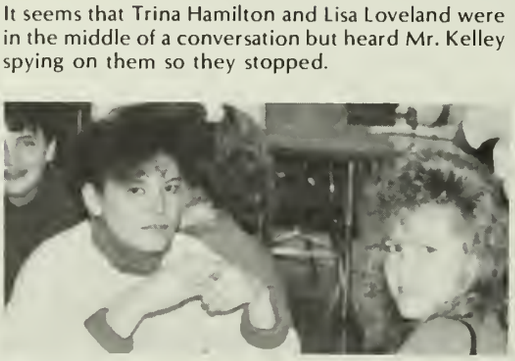
FRESHMEN! FRESHMEN! EVERYWHERE

It seems that Trina Hamilton and Lisa Loveland were in the middle of a conversation but heard Mr. Kelley spying on them so they stopped.



Destin Day knows what he's doing in woodshop, and it looks like he's teaching Mr. Jobst some things, too.

John Lamonakis and Aaron Price don't mind getting their picture taken, but Colin Murley and Jim Starbuck seem to be a little camera shy.

Something exciting must be happening on the Gym floor because all the freshmen heads are turned that way.

Jamie Lively doesn't mind taking a break from writing to look at the camera but his fellow classmates Lesley McCord, Kate Lynch, and Tori Moore keep on writing.

Sander Casino explains to Michelle Lefebvre, Meagan Weller, and Taryn Scott that being a senior isn't as easy as some people think.

Heather Bischoff and Teresa Conant aren't cheating are they? They must be sharing answers, that's all.

Francesca Fiorey, Jen Parker, Stephanie Belanger, Keri Kalinowski, Raelene Lemoine, Michelle Lefebvre, Jen Felton, and Nick Moore enjoy watching and supporting their JV Football team on Monday afternoon.

Barb Bogue, Meagan Weller, and Courtney Whiting-three friendly freshmen with friendly smiles, give the camera a grin.

Mark Monkewicz and his buddy Kris Semb actually have something to smile about after lunch. Their buddies are wondering what is going on. Megan Weller, Shelley Lefebvre, Kate Lynch, and Nick Moore all have time to stop and pose with their upperclassmen friends, Kris Semb, Aaron LaPointe, and Bill Hildreth.

Leslie McCord and Shelly Lefebvre show us their smiles while relaxing in freshman hall. Nick Brown flirts with the camera man as Taryn Scott and Julie Lawrence remind her, "He's Married."

ADMINISTRATION, FACULTY AND SUPPORT PERSONNEL

YOU HAD TO BE THERE to know that the faculty is an important part of every student's life at TFHS. Sometimes, though, we forget just how important they are. Not only do they teach us the basics we need to succeed in the "real world," they also help us in our various projects, endeavors, and clubs. We know they are always willing to take time from their schedules of meetings and correcting papers to help out or just to listen. Many teachers can often be seen helping with fundraisers and chaperoning dances. They give their time to coach sports and advise clubs, and their hard work is appreciated by all.

You had to be there on Saturday, September 15th, when Turners Falls opened their 1990 season with a convincing 35-0 win over Palmer H.S. This began a marvelous 6-2-1 season for the Indians. Led by a nucleus of twelve seniors and captained by Jason Dobosz, B. J. Monkiewicz, and Dan Miner, this team generated pride and excitement each and every Saturday. Through hard work, dedication, and commitment to excellence, this group of young men matured into a formidable team and earned the respect of T.F.H.S. fans and opponents alike. For those of us who were there, it was truly rewarding.

TURKEY DAY 1990
Tough Rivalry Ends In Tie

The 1991 Turners-Greenfield Thanksgiving Day Football Team was an exciting, hard-hitting contest between two fine teams. Turners Falls took a 6-0 lead in the first quarter on a Jason Dobosz to Jeff Morin touchdown pass. Greenfield scored in the second quarter, and the teams were deadlocked at halftime. The second half was a defensive struggle, highlighted by fumble recoveries by B.J. Monkiewicz and Adam Markowski and two game-saving interceptions by Sophomore Marc Potyrala. Jason Reipold and Sander Casino had an outstanding final game at their linebacker positions and Alex Urgiel played superbly at defensive tackle. The entire squad is to be congratulated on a truly outstanding 1991 season.

SOCCER

First Tournament Team Ever!
You Had To Be There!!!

Sean Sexton and B.J. Guerin are excited after scoring a goal.

Is B.J. Guerin telling coach Mullins he needs to cool off?

You had to be there to see the soccer team, who after suffering from the loss of some valuable players, came back to prove how great they are. They made tournament for the first time ever in the history of Turners Falls Soccer.

The team was lead by returning seniors, captains B.J. Guerin, Sean Sexton and Jon LaBelle. They had a great season which qualified them for an incredible tournament game. The game was tied 3-3 so they had to go into overtime. This was no ordinary overtime because due to the excellent playing, they had a triple overtime game 12 minutes long each-still nobody scored. Next, they had penalty kicks where the score was again tied 3-3. The next penalty kicks determined the game, ending in a 3-4 loss-but it was an incredible season.

Those achieving awards were Most Improved: Mark Lambert, Top Defensive Player: Jason Ames, Most Valuable Player: Jon LaBelle, 12th Player Award: David Chagnon, Top Offensive Player: Jon LaBelle, and Rookie of the Year: Lance Wondoloski.

You had to be there

-to feel the excitement before the game
-to watch the skill of the players
-to witness the joy after we made a goal
-to be a part of the school spirit at the games
-to see the determination with which the team can play
-to know they can work together as a team

-to know some students do come to watch and support their classmates
-to witness a team member help another with words of praise or encouragement
-to feel the closeness of the team
-to know as a team member you have to support your own team and work hard for the team

It is always difficult to make a decision when you know members of the team are trying hard at practice, giving everything in a game, and then still reaching deeper inside themselves for more strength.

This year, the following awards were given: Most Valuable Player Offense: Ange Burek; Most Valuable Player Defense: Jen Stafford; Most Improved: Jen Emond; Most Spirited: Jen Parent; Rookie of the Year: Shannon Campbell.

You had to be there when we realized that this was our last year of cheering for T.F. H.S. Booster Day came early this year, but dedication and hard work prepared us for the rally. We played Athol, and the win really "boosted" our spirits toward Turkey Day.

This year we not only had an in-school rally, but we also had a kick-off rally for the snake dance and bonfire. We all cheered our hearts out at the big game. Although the 6-6 tie wasn't as good as a win, it was a great moral victory for us. Now we can say "I graduated the year we tied Greenfield."

Our competition season begins as soon as football ends, and it is the one thing we do for ourselves each year. Our routine is a combination of dancing, formation cheers, and difficult stunts. In four minutes or less we have to give them all we've got! With Tournaments in Belchertown, Chicopee Spencer, and the State competition in Low ell, we are hoping to make our last year ou best year, and end 1991 on a winning note Cheers!

Varsity Girls Basketball

You had to be there when the girls varsity team opened their season with optimism. Their first year coach, Mr. Bob Bourbeau, supplied the team with confidence and good training for the games ahead. Filling the leadership roles were senior and junior co-captains, Carrie Albright and Jen Stafford. They led their team with enthusiasm. Returning junior veterans, Sonya Lamonakis, Karen Hildreth, and Kera Spring displayed great improvement and became the scorers of which they were capable. Other returning veterans were sophomores, Jen Emond and Ange Burek. These two played with aggressiveness and were key defense players. Freshman Shelly Lefebvre showed a great deal of energy throughout the season. The team is congratulated on a terrific season.

Juniors, Kera Spring, and Tina Grybko, proved to be excellent players with great attitudes. Newcomers included foreign exchange student, Mette Host, and freshmen, Taryn Scott, Nick Brown, Leslie Mcord, Lindsay Twarog, Co-captains Megan Weller, and Nick Moore. BASKETBALL, 1990

The 1990-91 Basketball Roster looked like a who's-who in Rookie camp, with just a few exceptions. Jason Dobosz was one of those exceptions. Jason returned for his fourth year of varsity basketball and again he had the responsibility of leadership. Jason better known as "Vinnie", led this group of 'Diaper-Dandies' into a tough Hampshire league schedule and hopefully, tournament play.

Jason was joined by Senior Shawn Whitney, also a returning letterman and now he would be expected to share the scoring burden as well as rebounding responsibility. Sander Casino and B.J. Guerin completed the senior contingent and both aspired to have an impact on the success of the varsity basketball team. B.J. Guerin possessed the ability to excite crowds wherever he went and Sander epitomized the phase "team player" with his tireless work ethics and team dedication.

Junior Brion Robert received the appointment of captain and he quickly adapted to his new responsibilities. At the midpoint juncture of the season Brion was becoming an important factor in the promising Indian roundballers. Mike Smiarowski, also a member of the junior class, opened some eyes with his performance against a very strong Mohawk club.

Sophomore, Mark Cady led the back court as the point guard while Steve Smith, Mark Brown, and Dan Moore went inside to tangle with the boardbangers.

Next year there will be some very enjoyable Tuesday and Friday evenings for the Turners Falls faithful viewers.

GIRLS' AND BOYS' SWIM TEAM

You had to be there to watch the Varsity Girls Swim Team have a great swim season. The team was led by captains, Buffee Garbiel and Sue Stachelek. The coach, Jeff Newton, coached for his first year. Asst. coach was Mary Lou Heselton. Qualifiers for Western Mass. were Barbie Bogue — 100 yd. back and Sarah Valley - 1 meter diving.

The Boys Team also swam well considering the size of the team. They won a great meet against Holyoke Catholic. Everyone was very proud of their efforts. Their Western Mass qualifier was Jon Allen-100 yd. butterfly and 50 yd. freestyle. Each of the teams were helped by kids from the middle school which really added depth to both teams.

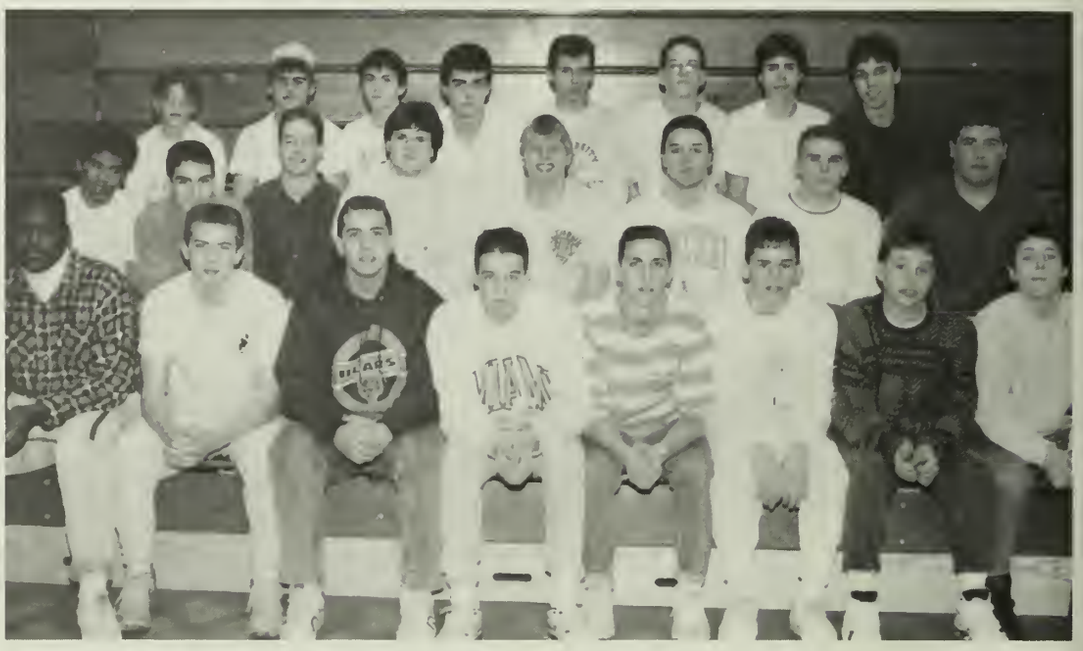
VARSITY AND JUNIOR VARSITY BASEBALL

The Turners Falls High School Baseball Team has a bright outlook for the 1991 season. Last year's team had a 10-8 record and several important senior players will be returning. These seniors are B.J. Guerin, B.J. Monkewicz, Jason Dobosz, John LaBelle, George Emery, and Dan Miner. This group supported by a fine cast of underclassmen hope to do well in Hampshire League play and qualify for the Western Massachusetts baseball tournament. The team fell one victory short of qualifying for the Western Massachusetts baseball tournament last year.

B.J. Guerin awaits a pitch against Pioneer.



Front: Rich Brewington, Dan Poirier, Kevin Koldis, B.J. Guerin, Jon LaBelle, Marc Cady, Mark Monkiewicz, Rich King. Middle: Oley Saradeth, Zave Jackman, Eric Bodenstein, Dan Miner, Brian Bogusz, George Emery, Jeff Morin, Adam Markowski, Back: Steve Godin, Larry Petrowicz, Dan Garland, Mark Brown, Mike Smiarowski, Dan Wood, Dan Moore, Shawn Whitney.

SOFTBALL

The 1991 girl's softball team should prove to have an exciting season. The year of 1990 was a season to be mentioned. After clinching the Franklin County League title, the Western Mass. title, and entering the State championships, the team can finally move on. Although the team lost a great number of seniors, the girls will shine as Mr. Mullins is a coach with great abilities and can give his team the confidence they need to lead them to victory.

Jen Parent, Andrea Beaubien, Teresa Emery, and Emily Albright on the bus returning from a game.

Front: Jen Parent, Jen Stafford, Sarah Rastallis, Teresa Emery Middle: Ange Burek, Jenneth Janikas, Emily Albright, Sarah Valley, Tracy Bartus, Shelley Lefebvre. Back: Andrea Beaubien, Sonya Lamonakis, Kera Spring, Natasha Widener, Heather Nietsche, Carrie Albright, and Coach, Gary Mullins.

Bill, somehow you made it? We are very proud of you and wish you the best of luck! Love, Karen, Kate, and Jeff.

Tiffany, you've been my best friend for just about 5 years. We've had so many good times, too, like our flour fight after graduation. I hope we stay that way forever and ever. Keep in touch as much as possible. I know I will. Love always, Lisa

Jon, high school is finally over! You have a lot to be proud of and a lot of people proud of you. You are a great person, and I'm glad I got to know you and spend time with you. I will miss you next year but will remember always you and those legs. Best of luck always. I love you. Love, Karen.

Lisa, you've been my best friend for a long time. I look up to you for so much. Our friendship is special, and I hope we never lose it. I'll never forget all the good times we've had. Keep in touch. Tiffany.

Eric, a little over a year ago I never thought that I would have some one as special as you in my life. You've shown me that anything's possible. You've been honest and open with me from the start, and for that I love you. Tiffany.

To Lisa S., Tiffany S., Nicole S., Erica S., Heather S., Jen A., Tina W., Tawnya P., and all my friends I forgot: Thanks for everything, especially for being my friends. I couldn't have made it without you. I'll sure miss all of you, the long talks, the practices after school, and our group in Model Office. I hope we all keep in touch after we graduate. I hope the world treats you fair. Good luck in the future. Thanks for being there for me. Kerri. Tiffany, remember band camp '90.

To Jenn: We use to be best friends for the longest time, and I'm sorry that we aren't anymore but we're starting to be closer this year, and I hope someday we will have times like we use to.
To Traci: How did we meet? Many troublesome times ago. You've been a great best friend, and we helped each other through a lot, and we have a bond together. It will never break no matter how many miles we are apart.
To Becky: We were little girls in 7th grade, now look at us. We're graduating. For our class reunion we both better be rich, tan, and slim with big muscles. You're a great buddy.
And to my other friends, I'll miss you all very much and keep in touch.
Love ya, Wendy

Guys — I thought this year would never come. It did though. I'm now a loner. Well, we've all had some bad times, but the ones to remember are all the good. Thank you for all of them. Congratulations and I'll never forget any of you. Love, y-f-f, Nicole.

Mom, Dad, and Bobby: The last few years have been very successful for us in track. Without your support and help, I wouldn't have made it through those hard times. I'm glad that you're here to share all the happiness that I have found and will find down the road. You've put up with a lot from me and for that, I just don't hold the individual's record — we do as a family because without you guys it would mean nothing. I love you guys, Wendy.

Steve, I'm really glad that I got to be a part of your high school years. In you I found someone who made me feel loved and respected and I hope that will never change. You're a wonderful person. You deserve the best. I wish you the best of luck in the future. I love you. Love always, forever, Tracy.

Kristopher, Congratulations! I knew you could do it. Over the past year I'd say we've become very close. Not only do I consider you my boyfriend, but I consider you my best friend. You are a great person, one of the best I know. I know you'll succeed in whatever the future holds for you. I'm very proud, Kris. Love always and forever, Raelene.

Take time to work,
It is the price of success.
Take time to think,
It is the source of power.
Take time to play,
It is the secret of perpetual youth.
Take time to read,

Take time to be friendly,
It is the road to happiness.
Take time to love and be loved,

To laugh often and love much; to win the respect of intelligent persons and the affection of children; to earn the approbation of honest critics and endure the betrayal of false friends; to appreciate beauty; to find the best in others; to give of one's self; to leave the world a bit better, whether by a healthy child, a garden patch, or a redeemed social condition; to have played and laughed with enthusiasm and sung with exultation; to know even one life has breathed easier because you have lived — this is to have succeeded.
